

Accounting Co-op (Seasonal/Full-Time)

GMS Surgent CPAs & Advisors provides an excellent way for students to participate in actual tax compliance engagements and meet a variety of professionals both internally and externally. Co-ops work directly with **GMS Surgent CPAs & Advisors** team members and client personnel gathering data and summarizing the results. The co-op will provide insights for the student as s/he starts his or her career and offers an inside look at the career path opportunities in public accounting.

GMS Surgent CPAs & Advisors structured co-op program is a Winter/Spring program, which begins January and runs through April 15th. The program is flexible as to timing and working hours based upon your individual availability and the firm's needs.

Top Reasons to Work with **GMS Surgent**

- Work closely with a diverse client base
