

**Lauren Adamski  
Named a Finalist in *SmartCEO's*  
2016 Philadelphia Cornerstone Awards**

The Cornerstone Awards program honors businesses making a meaningful and lasting impact in their local communities. These companies are not only economic drivers — providing jobs and fueling growth — they are also exemplary stewards — devoting time, talent and money to community development and philanthropic initiatives. Honorees include companies of all sizes and industry segments that have made a commitment to strengthening the foundation of the communities they call home.

Lauren Adamski will be profiled in the July/August issue of *SmartCEO* magazine and celebrated at an awards luncheon in August, where category winners will be announced live at The Warwick Hotel Rittenhouse Square.

**About SmartCEO**

SmartCEO's mission is to educate and inspire the business community through its award winning magazine, connections at C-level events and access to valuable online resources. The CPA & ESQ Awards program honors the region's most enterprising accountants and attorneys. An independent committee of local business leaders chooses the CPA & ESQ finalists based on the quality of nominations submitted.

**About GMS Surgent CPAs & Advisors**

GMS Surgent is among the Delaware Valley's most prominent, mid-sized, full service certified public accountancy and advisory firms. The firm's strength is embedded in a history that spans an impressive 50 years servicing local and national clients. To learn more, please visit [www.gmssurgent.com](http://www.gmssurgent.com) or call 610-975-9122.

**RECOGNIZING IMPACT IN YOUR COMMUNITY**

The Cornerstone Awards program honors businesses headquartered in the communities surrounding the Baltimore, Philadelphia and Washington, DC, metro markets. These companies are not only economic drivers, they are also exemplary stewards. Finalists include companies of all sizes and industry segments — whether brought to their locale by a new business venture, a relocation or an expansion, these companies have made a positive impact on job creation and retention, market competition and philanthropy.
